MARUTI SUZUKI

iACE

**INTERNATIONAL AUTOMOBILE
CENTRE OF EXCELLENCE**

A Joint Initiative of Government of Gujarat
& Maruti Suzuki India Limited

OUR VISION

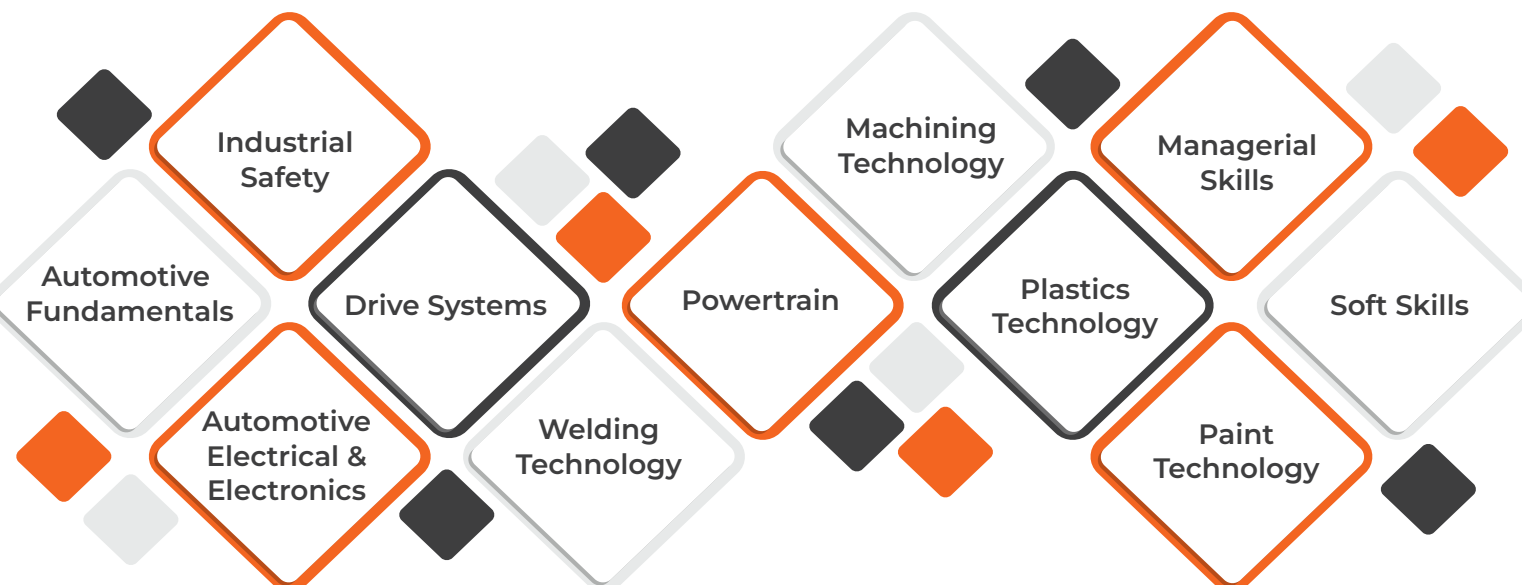

To contribute to nation-building as an apex body for the entire value chain of the automotive sector by providing a world-class workforce.

This will be done by providing a unique-facing blend of 80% Practical & 20% Theory training aimed at day-one industry readiness accompanying the research and innovation mindset.

ABOUT iACE

The iACE (International Automobile Centre of Excellence) is a joint initiative between the Government of Gujarat and Maruti Suzuki India Limited (MSIL), with a 50% equity stake each. Strategically situated in Gandhinagar, Gujarat, along the 'Knowledge Corridor,' the iACE is built over a 9,980 square meter area. This state-of-the-art infrastructure dedicates to fulfilling India's automobile ecosystem's comprehensive training, development, and research needs. With advanced infrastructure and technical laboratories, the centre provides hands-on learning opportunities. The industry-academia partnerships with renowned national and international collaborators ensure the relevance of knowledge and technology in industrial education. iACE showcases the latest technology and facilitates practical demonstrations using hardware-software equipment and cut-out section of systems, allowing students to grasp the core fundamentals in detail.
